INDEX TO VOLUME 8

A

Abbott, L. M.: Blood levels of hexachlorophene in neonates, 246

Aberdeen, J. D.: Yolk sac tumour of the ovary, 349

Aminoaciduria, Screening for (Tippett, Patricia A. and Danks, D. M.), 255

Amputation of the Finger in Children (Douglas, B. S.), 86

Anderson, Charlotte M. *See* Davidson, A. G. F.

Arterialisation of Capillary Blood Histamine Iontophoresis in Endotoxin Shock (Dean, M. E.), 95

Assessment of Iron Deficiency in Children with Congenital Heart Disease: Lovric, V. A. *and others*, 195

Australian Aboriginal Children (Conference), 163

Aqueduct of Sylvius, Late Presentation of Stricture of the (Lewis, Elizabeth)

B

Baker, W. *See Harris, M. J.*

Barylak, A.: Dyggve Disease, 344

Bellmaine, S. P.: Pharyngeal inco-ordination from birth to three years, with recurrent bronchopneumonia and ultimate recovery, 137

Benham, E. S.: Idiopathic thrombocytopenic purpura in children, 313

Blood Levels of Hexachlorophene in Neonates (Abbott, L. M. *and others*), 246

Bone Disorders: Strontium Kinetic Studies in Children with (Rotenberg, Esther and McCredie, D.), 331

Book Reviews: 59, 111, 159, 226, 294, 353

Bowring, A. C.: Management of Hirschsprung's disease in the neonate, 121

Brauer, B. *See* Hoeffel, J. C.

Breath Holding: The Physiopathology of (Rendle-Short, J.), 92

Bronchopneumonia, Recurrent and Ultimate Recovery with Pharyngeal Inco-Ordination from Birth to Three Years (Bellmaine, S. P., McCredie, Janet and Storey, B.), 137

Buckfield, P. M. *See* Abbott, L. M.

Burke, Valerie: Gastrointestinal symptoms and cow's milk allergy, 231

Burnard, E. D. *See* Corbet, A. J. S.

C

Campbell, P. E. *See* Danks, D. M.

Capillary Blood Histamine Iontophoresis: Arterialisation of, in Endotoxin (Dean, Margaret E.), 95

Capps, F. P. A. *See* Davidson, A. G. F.

Cartwright, E. See Danks, D. M.

Cebocephaly: A report of five post-mortem cases and a review of literature (Chan Ying Fatt), 52

Celermajer, J. M. *See* Lovric, V. A.

Celermajer, J. M. *See* Hawker, R. E.

Cephalhaematoma, Infected: Tan, K. L., 107

Champness, L. T. *See* Cooke, R. A.

Chan Ying Fatt: Cebocephaly, 52

Chloride Diarrhoea, Familial (Davidson, A. G. F.), 187

Cholesterol: Studies of the levels of Busselton school children and their parents (Godfrey, R. C. *and others*), 72

Clinical and Immunological Aspects of Milk Protein Intolerance (Freier, S. and Kletter, B.), 140

Clinical Growth of Infants and Children with Ventricular Septal Defects (Menahem, S.), 1

Coeliac Disease: The Effect of, on the Mother-Child Relationship (Gardiner, A. *and others*), 39

Collins, J. K.: *See* Harper, Juliet

Conference on Australian Aboriginal Children: 163

Congenital Heart Disease: Assessment of Iron Deficiency in Children with (Lovric, V. A. *and others*), 195

Connell, Helen M.: The practical management of encopresis, 273

Connellan, J. M. *See* Danks, D. M.

Coombs, E. *See* Phelan, P. D.

Cooke, R. A.: Renal disease and goitre: A new syndrome of primary amyloidosis, 250

Cooke, R. A. *See* Leditschke, J. F.

Corbet, A. J. S.: Observations on the prognosis and course of the idiopathic respiratory distress syndrome, 115

Cord Serum: Immunoglobulin levels in "small for dates" babies (Stern, L. M. and Forbes, I. J.), 33

Correspondence 219

Cow's Milk Allergy and Gastrointestinal Symptoms (Burke, Valerie), 231
